e. ^{OL} ~~Production and Services Contract Branch, Procurement Division,~~ has received a request from the Office of Technical Services (OTS) to initiate a contract with Outward Bound School of North Carolina for the running of two training courses for OTS senior executives. Some of the topics covered include real risk vs. perceived risk, persistence, setting realistic goals and decision-making in stressful situations. The seven-day course offers unique opportunities for participants to experience physical challenges in a remote mountain setting. Each participant will be covered by a limited injury policy. ~~It is hoped that the ranks of OTS senior executives will not be severely diminished.~~ [redacted]
